USPS Handbook PO-101 NEPA Checklist

Per USPS Handbook PO-101, all Post Office, Classified Station, or Classified Branch closings must include an 'Official Record' compiled and managed by the USPS Discontinuance Coordinator (DC). This Checklist and any subsequent, related documentation or memorandum is to be kept as part of the Official Record.

The National Environmental Policy Act (NEPA) requires USPS to consider potential environmental impacts of certain actions, including facility closings. See 39 CFR Part 775.

See the reverse side of this form for further guidance on individual assessment items.

Project Name and Description Fernandina Beach Downtown Station	
Address (street, city, state, zip code) 401 CENTRE ST FERNANDINA BEACH, FL 32034-4288	
Site Size (sq. ft. or acres) 19200	Building Size (in sq. ft.) 21660

To the best of your knowledge, does this closing impact any of the following items? (Check one)

1	Coastal area	No
2	Historic, cultural, or archaeological resources (approx. bldg. age: 99)	Yes
3	Traffic	No
4	Adverse impact to natural resources (e.g. - air, water, soil) - DESCRIBE:	No
5	Is the proposed action listed as a Categorical Exclusion in 39 CFR, Part 775? Likely 'yes' as action falls under closure of Post Offices under 39 U.S.C 404(b).	Yes
6	If the action is Categorically Excluded, are there any other extraordinary environmental circumstances? If yes, describe:	No

APPENDIX B

USPS Handbook PO-101 NEPA Checklist

Additional Assessment Item Guidance for the subject site and any adjacent surroundings:

1. Coastal area – There is a law called the ‘Coastal Zone Management Act’ (CZMA) which concerns property actions if they are in such a zone. Indicators of such zone likelihood would be proximity to a major water body, not necessarily ocean or bay. For example, the Gowanus Canal in Brooklyn, NY has some CZMA requirements as it eventually feeds into the Atlantic Ocean. Many of the coastal designations ultimately feed into a coastal water body. But this observation would not include water bodies such as small streams, small lakes or ponds.
2. Historic, cultural or archaeological resources – Buildings over 50 years old can be considered for formal historic designation. There is a spot for noting building age on the form. There may be other circumstances you are aware of – e.g., formal historic designation, local interest in making the site historic, certainty that the site is in an official historic district. You also need to consider any art resources under this item such as murals, frescos or other permanently affixed postal items of historic or artistic value.
3. Traffic – This consideration has to be isolated for the closure only, not for any other location impacted by the closure (that is a separate process). So, an example might be if a closed facility also provided access to some other area and now that access will not be maintained or as easily used. General traffic considerations relate to noise and air quality impacts, but that is not typically for closures.
4. Adverse impact to natural resources (e.g. – air, water, soil) – Look for obvious concerns such as an ongoing remediation at the site. USPS still has obligations to comply even if the facility is not operational, but vacancy could impact progress and efficiency of such a clean-up. Explain very briefly, but contact charlotte.parrish@usps.gov for further guidance before finalizing the form.

Postal Customer
FERNANDINA BEACH, FL 32034

This letter provides notice that the U.S. Postal Service is conducting a discontinuance feasibility study of facility operations at the Fernandina Beach Downtown Station into the Fernandina Beach Post Office.

The office is being studied due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. The current community that this office resides in is going to incorporate with the neighboring city and the Postal Service is determining the needs of the new community structure.

A discontinuance feasibility study involves a review of delivery and retail operations of a postal facility. The purpose of the study is to evaluate the facility's operations in a continuing effort to meet customers' retail needs, improve productivity, increase efficiency, and cut costs.

Customer needs have changed dramatically. Many customers receive and pay their bills online and communicate by email and text messaging. In addition, many customers demand easier, more convenient access to Postal Service products and services when and where they want them – online, on their smart phones, and at the stores they frequent.

If a decision is ultimately made to discontinue the Fernandina Beach Downtown Station and you are a Post Office Box customer, you will have the option of Post Office Box delivery at the Fernandina Beach Post Office. The Fernandina Beach Post Office is 2.9 miles away and has retail hours from 830 to 1700 Monday through Friday and 900 to 1200 on Saturday.

Retail services would continue to be available through a variety of channels beyond traditional brick-and-mortar facilities, such as the www.usps.com website, stamp consignment locations, and Stamps by Mail, Fax, and Phone.

We value your opinions during this review process. As the Postal Manager responsible for all Post Offices in your area, I would like your input concerning your postal needs. We encourage you to complete and return the enclosed survey in the pre-addressed, postage-paid envelope provided. Your responses along with others received will be included in the study and considered carefully before any final determination regarding discontinuance is made. Please submit your response no later than November 17, 2011.

A community meeting will be held to explain the process and to address community concerns. Postal representatives will be at the First Baptist Church located at 416 Alachua St. on 11/18/2011 from 5:30 PM to 8:30 PM to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

Written comments may be hand-delivered to the Fernandina Beach Downtown Station or mailed to:

District Discontinuance Coordinator
NORTH FLORIDA PFC
PO BOX 40005
Jacksonville FL 32203-0005

The study consists of a publicly available record, so please be advised that any information or responses that you furnish will be visible to others.

A proposal that further explains the nature and justification of the proposed change in service and requests for customer comment may be posted prior to the community meeting. Comments received from the questionnaire, community meeting, and proposal will be considered prior to making a final determination.

POST OFFICE ON WHEELS SERVICES AVAILABLE FROM RURAL AND HIGHWAY CONTRACT ROUTE CARRIERS

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier. Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

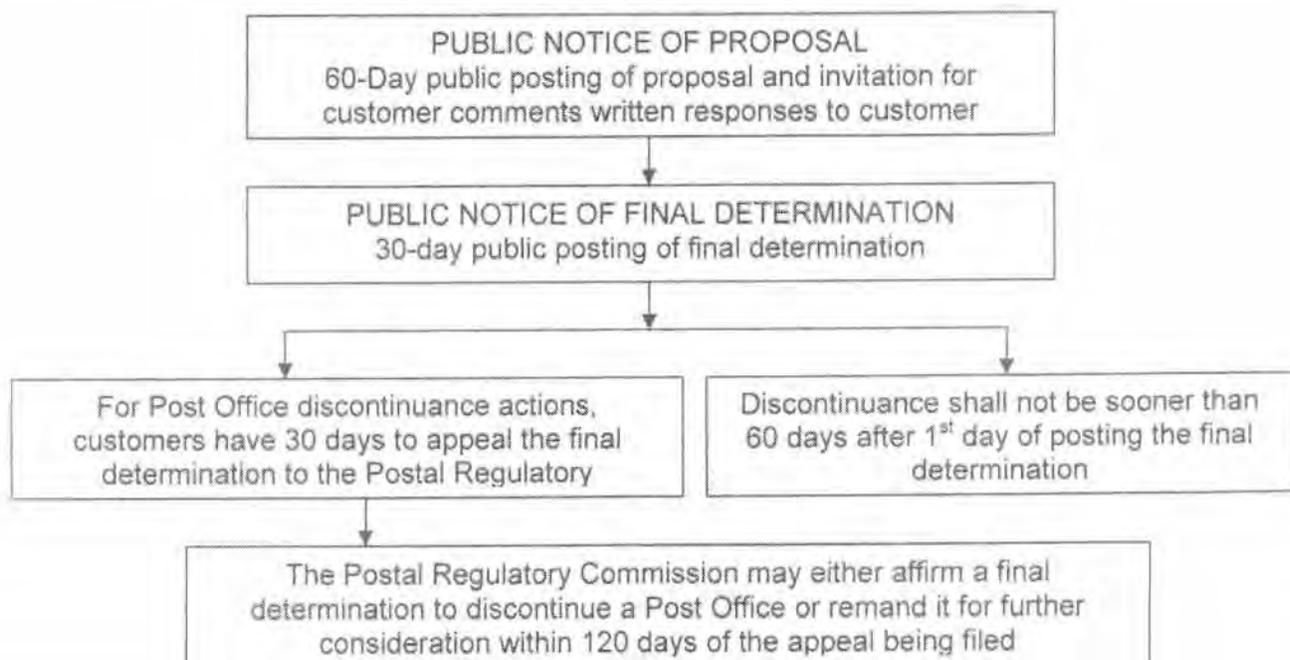

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

Summary of Postal Service Retail Facility Change Regulations

The Postal Service has published regulations governing the discontinuance of Postal Service-operated retail facilities. These regulations are designed to ensure that the reasons for proposing such changes in the provision of postal services are fully disclosed at a stage when customers can make helpful contributions toward a final determination. The full text of the applicable statutory requirements for Post Offices appears in Title 39, United States Code, Section 404(d), while the regulations for Postal Service-operated retail facilities appear in Title 39, Code of Federal Regulations, Part 241.3.

Under postal regulations, Postal Service Headquarters or field personnel initiate an initial feasibility study to examine the continuation of a Post Office, Classified Station, or Classified Branch. After conducting the feasibility study, if warranted, the Postal Service may decide to proceed with a proposal to discontinue the facility. The proposal must explain the services recommended as substitutes and the rationale that supports this recommendation. The written proposal is prominently posted for 60 days at affected retail facilities, along with an "Invitation for Comments," which solicits written feedback from customers. At the end of the 60-day comment period, additional review is made at lower and upper levels of postal management.

After consideration of customer comments, if warranted, the Postal Service may decide to proceed with a final determination to discontinue the retail facility under study. Any such final determination is posted in affected retail facilities for 30 days. For discontinuance actions associated with Post Offices, customers may appeal the final determination to the Postal Regulatory Commission in Washington, DC. The Postal Regulatory Commission may either affirm the Postal Service's determination to discontinue a Post Office or remand the matter to the Postal Service for further consideration. If a final determination is remanded by the Postal Regulatory Commission, the Postal Service may choose to repost the final determination or proposal with additional support, restart the discontinuance feasibility study, or suspend the discontinuance process. The Postal Regulatory Commission has up to 120 days to consider and decide an appeal. Even without an appeal, no Postal Service-operated retail facility may be closed sooner than 60 days after the first day of the posting of the final determination.

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. The current community that this office resides in is going to incorporate with the neighboring city and the Postal Service is determining the needs of the new community structure.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at First Baptist Church located at 416 Alachua St. on 11/18/2011 from 5:30 PM to 6:30 PM to answer questions and provide information about our service.

If you have any questions, you may contact ALICE RYLE at (478) 752-8778.

Thank you for your assistance.

PROPOSAL TO CLOSE
THE FERNANDINA BEACH DOWNTOWN, FL STATION
AND CONTINUE TO PROVIDE
SERVICE BY CONTRACT POSTAL UNIT

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Fernandina Beach Downtown, FL Station and provide delivery and retail services by contract postal unit under the administrative responsibility of the Fernandina Beach Post Office, located three miles away.

The office is being studied for possible closing or consolidation due to the following reasons: Over the past several years, this office has experienced a steady decline in revenue and/or volume. The current community that this office resides in is going to incorporate with the neighboring city and the Postal Service is determining the needs of the new community structure.

The Post Office facility had severe building deficiencies that included: The facility has aged significantly over the years and is now in need of a complete transformation. The office has safety environmental study and found mold. The Fernandina Beach Downtown Post Office provides retail service from 900 to 1300 - 1400 to 1700 Monday through Friday and closed on Saturday. Over the past several years there has been a decline in the amount of walk in revenue generated.

The revenue trend is as follows:

FY 08 \$ 319,435
FY 09 \$ 283,874
FY 10 \$ 277,520
FY 11 \$ 270,459
FY 12 \$ 261,747

On or about October 31, 2011, questionnaires were distributed to customers of the Fernandina Beach Downtown Station. Questionnaires were also available over the counter for retail customers at the Fernandina Beach Downtown Station.

On November 18, 2011, representatives from the Postal Service were available at First Baptist Church located at 416 Alachua St. from 5:30 PM to 6:30 PM to answer questions and provide information to customers.

If this proposal is implemented, delivery and retail services will be provided by the Fernandina Beach Post Office. Window service hours at the Fernandina Beach Post Office are from 830 to 1700, Monday through Friday, and 900 to 1200 on Saturday.

Some advantages of the proposal are:

1. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. Customers opting for carrier service will not have to pay post office box fees.
5. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a manager position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Potential of some to have to travel additional distance.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

II. EFFECT ON COMMUNITY

Fernandina Beach Downtown is an incorporated community located in Nassau County. The community is administered politically by City of Fernandina Beach. Police protection is provided by the Fernandina Beach Police Department. Fire protection is provided by the Fernandina Beach Fire Department. The community is comprised of The Fernandina Beach Downtown Station is located in the center of a business district in the downtown Fernandina Beach community. The community is a mix of local businesses such as shrimp boat owners as well as a large group of seasonal residences on Amelia Plantation. In addition, the economic makeup of the community consist of retirees and commuters, and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Rock-Tenn Paper mill, Smurfit papermill, Elizabeth Point Lodge, B&B Hout House, Pompeo's Restaurant, Crab Trap Restaurant, Happy Tomayo, Florida House, Barnabos Center, Newcomers Club, and Chamber of Commerce. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Fernandina Beach Downtown Station will be available at the Fernandina Beach Post Office. Government forms normally provided by the Post Office will also be available at the Fernandina Beach Post Office or by contacting your local government agency.

This Fernandina Beach Downtown Station is not listed as a historic landmark. The community name will be maintained for customer addressing, and the Zip Code is not expected to change.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community and every effort will be made to maintain the identity.

III. EFFECT ON EMPLOYEES

There is currently a Postmaster assigned to this unit. The Postmaster may be moved to another facility if possible. Additionally there are 48 craft employees assigned to this unit. These employees will be relocated per the National Labor Agreements. The OIC (if a craft employee) will be returned to their office or the PMR acting as an OIC may be reassigned to a nearby office.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 315,359, assuming filling vacant management and craft positions at the median salary range with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 244,286
Transportation	\$ 156,909
EAS Craft & Labor	\$ 0
Contracts	\$ 0
Rent	\$ 0
Relocation One-Time Cost	\$ 0
Total Ten Year Savings	\$ 315,359

V. OTHER FACTORS

Currently only 1 employee works at the Downtown Station. Employee would be relocated to Main Post Office approximately 3 miles away. The building has been deteriorating over the past several years and all other operations have been relocated.

VI. SUMMARY

The Postal Service is proposing to close the Fernandina Beach Downtown, FL Station and provide delivery and retail services by contract postal unit under the administrative responsibility of the Fernandina Beach Post Office, located three miles away.

The Fernandina Beach Downtown Station provided delivery and retail service to 625 PO Box or general delivery customers and no delivery route customers.

The Postal Service will save an estimated \$ 315,359 over the next ten years.

REASONS FOR NOT CLOSING THE FERNANDINA BEACH DOWNTOWN POST OFFICE

Fernandina Beach, FL is on an island, that also serves as the County Seat for Nassau County, Florida. It is also one of the OLDEST towns in Florida, with a STILL active downtown HISTORIC district. The Post Office Building sits right in the middle of downtown and was built in 1913 and is still functional today. As a functioning historic downtown Post Office, our downtown still has everyday businesses that cater to the residents, not just the tourists. Many of the elderly downtown residents congregate downtown at and around the Post Office when they go to pick up their mail. They walk to the grocery, drug, hardware stores along to the Court House, where business is still done, restaurants, clothing stores and tourist stores. We have downtown attorneys, accountants, realty companies who almost ALL use the downtown Post Office. MOST have PO Boxes.

Another MAJOR problem with the Post Office closing is our MARINA. Fernandina Beach has one of the FEW Marinas in the WHOLE country where you can WALK from the marina to town and have ALL of the services of a city within walking distance. We have a large group of permanent dock rentals that receive their mail at the downtown Post Office via PO BOXES, NOT General Delivery. They travel by boat, but Fernandina is their permanent home and they WALK to get their mail. THERE IS NOT ANY MAIL DELIVERY AT THE MARINA FOR BOAT OWNERS. If they could not receive their mail, they would RELOCATE to another area where they can receive mail, and that would have a negative effect on our economy. Loss of Dock Rent, loss of marine gas sold, loss of trade to the downtown shops, and restaurants. All these services are within walking distance from the Marina.

THE ELIMINATION OF THE POST OFFICE BOXES IS THE MAJOR NEGATIVE EFFECT OF THE CLOSING, AS THERE IS A BUSINESS DOWNTOWN THAT IS GOING TO OFFER SATELLITE SERVICES, BUT THAT WILL NOT SOLVE THE NEGATIVE EFFECT OF DISCONTINUING THE DOWNTOWN POST OFFICE BOXES.

Also, the residents of Cumberland Island receive their mail, at our downtown Post Office. They all have Post Office BOXES and take the ferry across the river to walk up to the post office and receive their mail. This service cannot be facilitated without having the downtown PO BOXES. When these people walk up to get their mail, they also do business at the other businesses along the way. THE CLOSING of the Post Office will have a negative domino effect that affects more than just the Boxes themselves. Because the Post Office is in the middle of the historic district downtown, the Businesses and Residents alike, anyone who has a PO Box downtown, would have to change their box numbers. For businesses especially, this can become a big financial nightmare. Also many of our box holders have had their boxes for 30, 40, 50 years or more. All of this should also be a consideration of closing.

Something I do not understand is why, with so much NEED and REQUESTS for PO Boxes in downtown Fernandina Beach, that a HOLD was put on ^{RENTING?} selling any new PO Boxes for the last 6 to 8 months or more, then say that our PO is not generating enough business.

One of the possibilities that have been presented is to sell the historic PO Building to the City of Fernandina and the PO leaseback a portion of the building from the City. I feel the City would work with the PO so it could work for both of them.

Somebody needs to take the time to understand our UNIQUE town that is on an island, is also a County Seat, on the National Register of Historic Places, has a Historic Post Office, a Marina with monthly docking facilities, a large number of people that live and work in downtown Fernandina, all walking to the PO. As with the boaters, many do not have cars and walk all over downtown to do their daily activities, including getting their mail.

PLEASE RECONSIDER AND DO NOT CLOSE OUR DOWNTOWN FERNANDINA BEACH POST OFFICE.

You need to think of ways to make this Fernandina Post Office VIABLE, instead of creating reasons to close it. There will be a large negative economic impact to Fernandina if THIS Post Office closes. It is the POST OFFICE BOXES that are so important to the downtown community, but all of the services are needed and used.

PLEASE TAKE THE TIME TO DO THE RESEARCH NEEDED BEFORE MAKING A RASH DECISION THAT CANNOT BE CHANGED ONCE IT IS MADE.

Additional Comments:

I have had my P.O. Box since 1976. I could have changed it when the new Post Office was built on Saddle Rd. I am disabled and it would have been easier to use. My personal safety and safety of my mail delivery is very important to me. I conduct all my business, personal, legal, + financial through my P.O. Box and have for more than 35 years. That has remained constant no matter what has been going on in my life. If you close this Post Office, I will have to go through the hassle of getting another Post Office box and changing things over. Even two

Additional Comments:

Many of us older citizens live off the island
and don't have a car & get our mail at the P.O. This P.O. is the
most helpful and courteous one on the island. If you
close it, we will be forced to get mail from a mail carrier
& that would mean more carrier hired and more vehicles bought.
and they would have to drive an extra mile to deliver my mail
because the box would be that far from
my home.

It would be a major inconvenience on boxholders to have to switch to a different number. And it is NOT convenient to use the SADLER Road facility, especially for business owners.

Post Office Survey Response 1/5/12

1. I can't really see any favorable effects for your proposal. The 911 Addressing has recently changed all the addresses in the Forest Ridge Condo Development where I live. The mail boxes located clear across the condo development have been driven into more times than I care to think of.

I've had my Post Office box since, I believe, 1994 with no problems. I work for the Nassau County Property Appraiser's Office located in the historic courthouse across the street from the subject Post Office. I presently walk across the street daily to pick up the office mail along with my own mail; it takes me approximately 10 minutes in all. If our office branch decides to have their mail delivered to the Sadler Road office, then it will add to the time to go get the mail and return. If you close this location down, someone will have to drive over two miles to the Sadler Road Post Office; wait in line for an undetermined amount of time; then return to the office (4 miles round trip); adding to the already busy traffic in Fernandina Beach and wasted office time, money & gas.

I don't know what our office will do, but as for my personal mail, I really prefer to keep my same Post Office Box number. I've was informed by a past Postal employee at the local meeting held November 18, 2011 that this would be possible. If not, then I will have to change all my State Licenses and bank accounts as well as a change of address for all my mail. It will be a chore that I really don't look forward to.

2. There are a lot of elderly people in the downtown area. If they decide to go to the Sadler Road office, then the traffic will only be worse (and somewhat scary to be honest). Every time I've had to go into the Sadler Road branch, I've had to wait in a long line. This usually happens on Saturday's, April around the 15th (income tax time), and November & December before Christmas, Every time I ride by, there are numerous cars in the parking area. The lines outside to the outside mail boxes are usually lined up. If you are going to go ahead with this plan, I hope you add employees to the Sadler Road branch; put mailboxes at the Citrona Drive along with the ones already located at the Sadler Road side. I hope you also keep in mind, that the Books Plus Store on Centre Street does not have adequate parking.

I understand what you are going through. The times have changed everything, probably, for the better. I personally will survive. I actually live closer to the Sadler Road branch. If we can keep our same Post Office Box numbers, then at least my personal grief will be minimized.

Additional Comments:

I have had this PO box # in the Downtown Post office since 1994, before the new one was built all my address headings and business accounts are with this box #. To change this # would create a great deal of confusion and expense and I love the atmosphere of this Small Town Post office and the personnel.

Additional Comments:

It would be a distinct hardship to lose this P.O. Box. I live in an area where the P.O. boxes are across a busy highway - not secure when one is a work. Of course, change of address would be a large hardship in terms of scope and money.

Additional Comments:

The F.B. Downtown Station is vital to business and all who live in the area North of Sadler and to all who work downtown. I do all of my postal business there. The service is outstanding. This location is a central part of the downtown district.

Name: Claudia D. Haddock Address: P.O. Box 1084

I have been a P.O. Box holder here for over thirty years. My father and brother have been P.O. Box holders for over thirty years, also. My father ^{grandfather} retired as a Postal clerk from that Post office. It is a historical building and a thriving entity for the local community and tourism. Please consider the importance of this station to our community and guests to the island and maintain its operating status.

Additional Comments:

The money you used to bill another Postoffice could have been used to maintain the original Postoffice and we would have been better off. The money it make now could be used for repairs, it is easier to close it and forget but to us it would be the best way.

I have a question, just how much money did you save each year by being an exempt building property and did you save that money? If so now is time to use it for repairs and closing Adler road!

If you close this post office, you are just adding ~~one~~ more mail in the coffin to Kill our downtown. When downtowns are becoming a thing of the past, you have the ability & opportunity to keep ours alive. Some of your post office boxes have been used by the same people for over 50 years. Please step up to the plate & do your part to help keep our downtown a reality.

My family has had a PO Box at the downtown PO since WWII. Hundreds of family members, friends and business connections have our address. I do not want to go to the other PO only to stand in long lines for POO service from unfriendly people. The downtown PO is so much better. Please do not close our PO. We are both over 65 and would find it very difficult to change our lives so drastically. Thanks

Additional Comments:

my PO Box and Box Number is VITAL to my business. Items needing repair (Dental Equmt.) is sent to me on pre posted LABELS to my PO Box AND I pay the postage at time of pick up - Also outgoing repairs are sent by priority mail (over website) If I am forced to change my Box Number, there will be hundreds of labels in circulation that will be inaccurate and my business could be significantly harmed.

Additional Comments:

I hope the Fernandina Centre Street Post Office will remain open. I also believe it should be taken better care of and not allowed to get so dirty and rundown. It is a beautiful building and could, I believe, generate enough profit to support itself.

↳ closing this downtown location. I am a business who relies on it for my needs. I could not lose the time/mileage expense to go to Sadler Road. Keep a downtown USPS please. The all hours access is extremely important to me & my customers only know this address. a change would hurt my business in many ways.

It would be a tremendous inconvenience to both my husband, myself, and our community who live therein if we were to lose the close proximity of the historic Post Office located in Historic Fernandina Beach, FL as well as all the visitors to our community. This is especially important when you take into consideration all the historic homes in the area along with the Historic Court House across the street and with our City Hall all within walking distance not to mention the historic nature of the building which has housed this United States Post Office since 1912! This building has a long history and especially convenient for our visitors that support our local businesses. Of all the post offices to be considered for closing, this has got to rank among the most absurd. This historic Post Office is in the top 11 of historic buildings in Florida. We beseech you to consider these facts.

Additional Comments:

If box service downtown is discontinued, USPS should transfer the box numbers to Sedler. I receive numerous financial documents once a year, and locating addresses and mailing changes would be almost impossible. All other services could be replaced by the Sedler PO with only minor inconvenience.

Additional Comments:

I would really like to see the downtown Fernandina P.O. remain open, and particularly including the P.O. box service. It is significantly more convenient than the Sadler Rd location.

Note: The main reasons I have continued with my P.O. Box are: safety, the personnel - particularly Deb - she is very hard working but manages to be friendly & personable. I have also kept my P.O. Box because it makes me go downtown almost every day. This contributes to shopping downtown.

Postal Concerns

The following postal concerns were expressed:

1. No Concern
Response:
2. Customers said they would miss the special attention and assistance provided by the personnel at the Post Office.
Response:
Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed.
3. Customers were concerned about obtaining services from the carrier.
Response:
The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.
4. No Concern
Response:
5. Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
Response:
The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
6. Customers asked why their Post Office was being discontinued while others were retained.
Response:
Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
7. Customers expressed concern about how the loss of the Post Office would negatively impact the historical dimension of the community.
Response:
The Postal Service is helping to preserve the community name by continuing the use of the Community name in addresses.
8. Customers expressed concern about misdelivered mail.
Response:
The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. We consider misdelivered mail a very serious problem and appreciate when customers report this to us since it provides an opportunity to take corrective action.
9. Customers expressed concern that postal employees at the administrative Post Office are rude.
Response:
Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the Manager, Post Office Operations.
10. Customers questioned whether the facility was inadequate.
Response:
A building inspection revealed serious deficiencies, and no suitable alternate quarters are available in the community.

11. Customers said they would miss the special attention and assistance provided by the personnel at the Post Office.

Response:

Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed.

12. Customers wanted to know why the customer lines were so long at the administrative Post Office.

Response:

The administrative Post Office serves a much larger community and has a heavier retail window workload. This concern has been brought to the attention of the administrative postmaster, window operations will be monitored to ensure that customers do not have an unreasonable wait to obtain services. The carrier can provide retail services, alleviating the need for customers to go to the Post Office for service.

13. Customers were concerned about a possible address change.

Response:

There will be no change in customer addresses.

14. Customers were concerned about having to make an address change on their bank checks and stationery.

Response:

Customers will be assigned a carrier route address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change. Customers may deplete their current supply of checks and stationery and make the address corrections when ordering new supplies.

15. Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

16. Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

17. Customers were concerned about obtaining services from the carrier.

Response:

The rural carrier provides all the services that are available at the Post Office with the exception of PO Box service and bulk mail acceptance. This includes stamp sales, package pick up, special services and money order sales.

18. Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

19. No Concern

Response:

Nonpostal Concerns

The following nonpostal concerns were expressed:

1. Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

3.

Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities.

Response:

Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

4.

Customers were concerned about growth in the community.

Response:

The growth of a community does not depend on the location of a Post Office. Based on information obtained by the Postal Service, it was determined that there has been minimal growth in the area in recent years. Carrier service will be able to accommodate future growth.

5.

Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

8. Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
Response:
The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
9. Customers expressed concern over the dependability of rural route service.
Response:

Community Meeting Comments

rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.

10. Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.

Response:

Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

11. Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

12. Customer expressed a concern about the length of time it took to forward your mail.

Response:

Customers may change their address online at usps.com or pick up address change packets at the Post Office. As correspondents use their correct mailing address there will no longer be a requirement that your mail goes through our forwarding system.

13. Customers questioned the economic savings of the proposed discontinuance.

Response:

Economic savings are only one of several factors considered. Economic savings have been calculated as required for discontinuance studies. The estimated cost of the CPO is based on price comparisons with other contracts providing similar services. A CPO is often located in an existing business and can operate more cost-effectively.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. Customers felt the loss of a Post Office would have a detrimental effect on the business community.

PROPOSAL TO CLOSE
THE FERNANDINA BEACH DOWNTOWN, FL STATION
AND CONTINUE TO PROVIDE
SERVICE BY CONTRACT POSTAL UNIT

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Fernandina Beach Downtown, FL Station and provide delivery and retail services by contract postal unit under the administrative responsibility of the Fernandina Beach Post Office, located 3 miles away.

The office is being studied for possible closing or consolidation due to the following reasons; Over the past several years, this office has experienced a steady decline in revenue and/or volume. The current community that this office resides in is going to incorporate with the neighboring city and the Postal Service is determining the needs of the new community structure.

The Post Office facility had severe building deficiencies that included: The facility has aged significantly over the years and is now in need of a complete transformation. The office has safety environmental study and found mold. The Fernandina Beach Downtown Post Office provides retail service from 900 to 1300 - 1400 to 1700 Monday through Friday and closed on Saturday. Over the past several years there has been a decline in the amount of walk in revenue generated.

The revenue trend is as follows:

FY 08 \$ 319,435

FY 09 \$ 283,674

FY 10 \$ 277,520

FY 11 \$ 270,459

FY 12 \$ 261,747.

On or about October 31, 2011, questionnaires were distributed to customers of the Fernandina Beach Downtown Station. Questionnaires were also available over the counter for retail customers at the Fernandina Beach Downtown Station.

On November 18, 2011, representatives from the Postal Service were available at First Baptist Church located at 416 Alachua St. from 5:30 PM to 6:30 PM to answer questions and provide information to customers.

If this proposal is implemented, delivery and retail services will be provided by the Fernandina Beach Post Office. Window service hours at the Fernandina Beach Post Office are from 830 to 1700, Monday through Friday, and 900 to 1200 on Saturday.

Retail service is also available at the Yulee Post Office an EAS-20 level office, located seven miles away. Window service hours at Yulee Post Office are from 830 to 1700, Monday through Friday and 830 to 1200 on Saturday. There are 327 post office boxes available for rent.

Some advantages of the proposal are:

1. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. Customers opting for carrier service will not have to pay post office box fees.
5. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a manager position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Potential of some to have to travel additional distance.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

II. EFFECT ON COMMUNITY

Fernandina Beach Downtown is an incorporated community located in Nassau County. The community is administered politically by City of Fernandina Beach. Police protection is provided by the Fernandina Beach Police Department. Fire protection is provided by the Fernandina Beach Fire Department. The community is comprised of The Fernandina Beach Downtown Station is located in the center of a business district in the downtown Fernandina Beach community. The community is a mix of local businesses such as shrimp boat owners as well as a large group of seasonal residences on Amelia Plantation. In addition, the economic makeup of the community consist of retirees and commuters, and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Rock-Tenn Paper mill, Smurfit papermill, Elizabeth Point Lodge, B&B Houf House, Pompeo's Restaurant, Crab Trap Restaurant, Happy Tomayo, Florida House, Barnabos Center, Newcomers Club, and Chamber of Commerce. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Fernandina Beach Downtown Station will be available at the Fernandina Beach Post Office. Government forms normally provided by the Post Office will also be available at the Fernandina Beach Post Office or by contacting your local government agency.

The Fernandina Beach Downtown Station is not listed as a historic landmark. The community name will be maintained for customer addressing, and the Zip Code is not expected to change.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community and every effort will be made to maintain the identity.

III. EFFECT ON EMPLOYEES

Currently only 1 employee works at the Downtown Station. Employee would be relocated to Main Post Office approximately 3 miles away.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 315,359, assuming filling vacant management and craft positions at the median salary range with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 244,286
Transportation	\$ 156,808
EAS Craft & Labor	\$ 0
Contracts	\$ 0
Rent	\$ 0
Relocation One-Time Cost	\$ 0
Total Ten Year Savings	\$ 315,359

V. OTHER FACTORS

The building has deteriorating over the past several years and all other operations have been relocated to new facility located 3 miles away.

VI. SUMMARY

The Postal Service is proposing to close the Fernandina Beach Downtown, FL Station and provide delivery and retail services by contract postal unit under the administrative responsibility of the Fernandina Beach Post Office, located .6 miles away.

This unit is a retail annex and all employees are part of another installation and their work schedules will be adjusted to work at the parent facility. The mail volume has declined. Effective and regular service will continue to be provided by contract postal unit.

The Fernandina Beach Downtown Station provided delivery and retail service to 548 PO Box or general delivery customers and no delivery route customers.

The Postal Service will save an estimated \$ 315,359 over the next ten years.

**NOTICE OF TAKING PROPOSAL AND COMMENTS
UNDER INTERNAL CONSIDERATION**

Date 01/21/2012

Postal Customers of the Fernandina Beach Downtown Station: The Postal Service appreciates receiving the views of those of you who submitted comments on the proposal to close the Fernandina Beach Downtown Station, which was posted 11/19/2011 through 01/20/2012. These comments will be considered carefully as the matter is reviewed further in my office and at higher levels within the Postal Service.

When a final decision is made by the Postal Service, that decision will be posted in place of this notice. If the decision is to approve the proposal, any customer of the Fernandina beach downtown Station who disagrees will have the right to appeal that decision to the Postal Regulatory Commission in Washington, DC.

Sincerely,

KEITH PIERLE

Following are comments I wish to make concerning the proposed discontinuance of the FERNANDINA BEACH DOWNTOWN Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I believe the effect of my postal service will be unfavorable. I have a downtown business so I currently go to the post office which is 3 blocks away at least once a day. I cannot close my business to go to Sadler Rd. Each day to do the same transactions.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I believe this will have huge unfavorable effect on our downtown historic district. The post office is the center of our community and it is used by all the merchants in our town. We depend on it to keep our businesses running and to keep our historic downtown a real thriving business center. We need it to stay active!!!

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The letter written by Charlotte Cutlip, 11/19/2011 states the downturn in revenue for our downtown station postoffice. I can tell you that my business also suffered a downturn in revenue for the past four years after over 20 years. This is because our whole economy has been in a major recession! Continue to rent boxes, sell stamps, ^{and} even offer the upper floors of the historic building for lease. The revenue will come back!!! Also, she states that our downtown station isn't a historic landmark but she is wrong. It is listed as one of the eleven endangered historic locations in Florida. Our whole downtown area (50 blocks) is on the National Historic Register! (cont on back)

The two women who came to address the residents about the possible closing of our postoffice were obviously there for a mandatory meeting. They had no back ground information and no interest in the comments from all the customers who came to oppose the closing of our downtown station. The letter that followed that meeting is full of misinformation, as well. One of the major disadvantages not mentioned in the subsequent letter was how over crowded the only other post office on the island currently is. We have to stand in long lines to mail packages or do any other postal business which involves more than purchasing stamps! Most of us as business owners downtown can't afford to take an hour or more to stand in line when we need to mail packages. The post office will lose further revenue if we have to switch to UPS or Fedex for those services since the Sadler Road office obviously can't handle more than it is doing now.

As a business owner and resident of Fernandina Beach, FL I implore you to consider the impact this closing will have on a community like ours! This post office is more than a historic building that you no longer want to

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I use the downtown post office regularly as a manager of a shop here on Centre St. It would not be beneficial to close this post office. I do a lot of postal shipping for my store as well as my personal shipping & purchasing here

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I think it would not only hurt downtown merchants & locals but also business for USPS. If this office is closed I will not ship packages through USPS anymore. I'll use Fed Ex or UPS. It's not convenient for me to drive to another post office with all the shipping I have to do.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

This post office is not only used by locals & the downtown merchants but also by tourists and customers!

This has been my postal delivery address for over 15 years. I do not want home delivery because I rent a condo and my home address has changed several times during my life here and I would miss considerable mail by the need to ~~need~~ change addresses. The downtown P.O. is extremely convenient, highly efficient, well run, and I can count on RELIABLE, helpful service there.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

The community treasures and benefits by the historic and beautiful buildings, and both the exterior AND interior of this building and its function and popularity for mail services ~~would be~~ are valuable assets. It is much used and saves energy (gasoline) by being so conveniently located and easy to walk - while parking is also easy.

I am among many who almost never enter the Sadler facility, except when an unusual situation occurs and I happen to be nearest to it at the moment. Many of us dislike that building, its parking arrangement, and its general atmosphere of cold, bureaucratic impersonality. It is ugly!

The downtown Post office is a daily pleasure to visit rather than a chore. I believe it offers significant value to the community and postal customers, and its closing would be a terrible decision on the part of the government. PLEASE listen to the people on this! Find another way to save money if you must + we are not having been told of the Vis meters.

Additional note: The USPS has not informed customers/citizens of the specifics regarding its proposal. How much \$\$ savings does USPS believe it would receive? Why can't USPS find other ways to recover its costs, rather than inconvenience and annoy many citizens and abandon an important and beautiful structure? What are the FACTS and why can't we have more of a voice in responding based on those facts?

I personally would pay an increased fee for my box for the convenience & other benefits and would likely cancel my box if moved to Saddle Rd.

Downtown businesses need the accessibility provided by the downtown post office. The courteous, efficient service currently provided is an asset to all businesses. Having to go to a local business providing postal services would be time consuming.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

The downtown post office has been an integral part of the downtown area for almost 100 years. The lack of commitment by the USPS to maintain the exterior of the building has already had a negative effect on the appearance of our city to tourists. No one can believe you would let an asset such as this deteriorate. An empty building would be a loss.

Of course, the delivery services to my home would not be effected. However, as a resident and serial citizen, having the post office open maintains ease of service for my frequent walks there without having to contend with customers in an established business elsewhere. (Plus, the steps give me excellent exercise!)

(ie, Books Plus)

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I believe that the absence of the post office will greatly increase the costs and ^{efficiency} for the downtown businesses, (due to the PO on Sadler Rd) (ie contending with customers in the Book Plus location). Most of the businesses are small and cannot easily ^{leave} the premises for any length of time.

we do appreciate the Books Plus owner's desire to move PO services downtown. current PO closed.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The building is an object of admiration and interest to tourists and residents and could be used for additional purposes profitably. The services given to Books Plus will further reduce the revenue of the established PO. 'One stop' shopping isn't what Centre Street is about.

I often ship several very heavy packages at once. Using the downtown post office allows me to be able to park closer to the entrance and the line is much quicker than the one at our main post office, which is important when you are holding heavy packages.

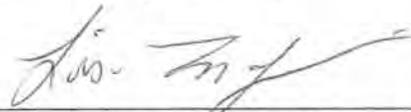

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I feel that the main post office is already at capacity for service. It is not unusual to wait in line for thirty minutes or more. If that facility has to then absorb many of the customers from the downtown post office the line will be out the door.

I do not feel that "replacing" the post office downtown can be achieved by moving some services to the book store at the end of the street. Not having dedicated parking at that location would make getting there difficult and establishing dedicated parking would be unfair to the other merchants in the area.

The downtown Post Office is most convenient to many businesses and individuals. I appreciate not having to fight the traffic on 8th and 14th streets to get there. I also appreciate being able to conduct much business without moving my car and looking for another parking place.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Many businesses will be inconvenienced by the drive to the other office. The building is quite historic and should be put to good use. It certainly can never be replaced and should be preserved and used as it has been for so many years.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The downtown building is available to be used for other office space. There would be very little required to make it useful for offices to occupy. We should not leave the building empty when it can be used by others in the downtown area as a real plus.

The downtown Post Office makes service accessible to many people who have difficulty getting to the other location.

The historic value of this site still being used means much to those of us to whom the past is important. It sets Fernandina Beach apart from other cities & we are proud of that.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

Favorable - Many residents and businesses rely on this Post Office for receiving their mail and taking care of their postal needs.

Postal Clerk Debbie goes out of her way to take care of her customers.

Non-Favorable - The hassle of doing a complete address change and the major cost to residents/businesses for changing invoices, documents, etc.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Non-Favorable - If this post office closes, it will become the eye-sore of Centre Street. It will become a victim of vagrancy, vandalism, ruin and despair. It will have an impact on the tourism in the downtown area in a very un-favorable way.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The post office on Sadler Road is very impersonal. You feel like you are imposing on some of the postal clerks for postal business. If the post office downtown does close, then the box numbers

My husband works right across the street - most convenient P.O. location for us!

An empty Bldg will quickly become an eyesore in our downtown.

A Post Office Bldg is a symbol of a vital town - we need this to keep our community alive.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Our downtown businesses are struggling during the tough economic times. It's hard enough to attract new businesses - not having a downtown P.O. will definitely have a negative impact!!

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

The closing of the downtown PO will result in at least 1/2 hr of lost productivity per day. We run a business out of our home which is 3 blocks from the PO. I am going on my private car like and to go to the PO ~~on my car~~ and be back in 10 mins. Utilizing the other PO will require using the car and require 30-40 mins per day. Often, I make several trips to the PO in a given day.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

The downtown PO is ideally located to service the professional offices within a 1/2 block radius including accountants, real estate firms, attorneys and the 40 or so small-businesses that are downtown. It is also frequented by tourists which is an important source of income to downtown business. The downtown PO is also within a block of the Nassau County Courthouse.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

If you draw a circle with a 1 mile radius, you will find that this post office, generally staffed by one person, services a large population including (I'm guessing) several hundred professionals, retail businesses, and cottage industries. It is a vital part of our community.

I have had my PO box since 1969 and I prefer Post Office delivery versus residential delivery. It is the safest way to ensure your mail is delivered and not tampered with by kids and other individuals. Therefore, our box numbers should be moved to other location. The zip code for Fernandina Beach for box numbers in both locations are the same zip code number

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Fernandina Beach is as old as the oldest city in USA... (St Augustine) and some historians believe older. Moving and closing the Post office from the historic business/residential ^{area} would only add to the already struggling merchants. Folks driving downtown to check their mail promotes dollars being spent in the downtown area. Last time a major gathering place closes it hurts this little historic town.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

What is the cost to keep this Post office open? I believe it doesn't cost the postal service because the building is paid for, offices are either rented or are available for rent. You have "2" employees, you must have other post offices men deservin' of pleasure, because of cost to keep them open and their status in Florida.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

We have lost two contract postal units that were in operation for many years, severely curtailing services, while this area continues to grow. The last 2 1/2 years have left the option of using the cold, unfriendly counter services at the Sadler Road office, or the courteous, efficient services provided by the Centre Street location, which is the main post office for "locals".

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Many of us do not rely on any other means of shipping parcels, and regardless of online communication, nothing compares to a handwritten letter with a postage stamp on it - placed in the mailbox - and the unique sound of our box being closed by the mail carrier. Our little town must retain the backbone of our post office on Centre Street since the absentee owners of property here go home to such in their small towns.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Many disabled boxholders were afforded use of an outside receptacle to retrieve their mail, situated next to the loading dock at the Centre Street office. Since Postmaster Jim Foster left his position in Fernandina, the cessation of this vital service has made it difficult for those long-time boxholders wishing to continue their box service to retrieve their mail without imposing on family to assist them. The personal service and small town warmth are being snuffed out inch by inch.

It would mean that I would have to do an address change on all that I have. That would make it very difficult for me to do. If you could say we can keep our same mail box # that might make a difference, but that isn't going to happen and Sadler post office could not keep up with the flow of customers. They can't now.
- Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community. You have people that live downtown that depend on the services of our post office. Some would not be able to get to the post office on Sadler Rd. which I firmly believe cannot handle all the ones that have mailboxes at downtown site plus all the other services they use.
- Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.
The post office has been there 56+ years. It was there before I was born. It is a very historical building that should remain the post office. If the city could find the money to remodel the courthouse they sure can do the same for our historical post office. The city years ago tore down the Keystone Motel which was very historical. Please don't let that happen again.

RE: Fernandina Beach Downtown Post Office

1.) I feel that closing the Fernandina Beach Downtown Post Office diminishes service to me because I can no longer walk to the post office for service. Presently there are sidewalks from my house to the post office and a pleasant walk of less than one mile. I walk that route almost every day and it is very convenient to use the post office on the way. The Sadler road post office is about 3 to 4 miles away and requires me to drive my car to get service. The post office parking area at the Sadler Road location is very crowded and dangerous at present. My car has already been struck by a backing vehicle. I can only imagine the difficulty if all service has to be rendered at that location. Inside the Sadler road location there are only three service areas and almost always a long waiting line. Most of the time only two stations are open.

2.) I believe that the postal service on the island will be inadequate if the downtown post office is closed. It seems to me that with over 20,000 permanent residents and many tourist in the summer months, it is too much to expect one location and three service stations to render appropriate service.

3.) I expect many people will start using non-post office services -- especially for parcels. The detrimental impact on the historic downtown area will be a sading blow. The post office has presented a pivotal presence in the community since the building was constructed in 1912. The post office will be losing support in this community because of this action.

Unfavorable effects. Going thru the process of having my mail delivered to my home and worrying if any one would tamper with my mail before I take it out of my mail box at my home. Both wife and husband work.
- 2. Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

With the tourist we have coming to visit our community downtown it easy for them to mail post card or other mail with the post office being located where it is Downtown.
- 3. Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

I have been getting my mail at the Downtown Post Office all my life.

I believe it causes extra trouble on businesses downtown. I have had my present box since 1947. I am 91 yrs. old and if this office is closed I will have home delivery of my mail. You get very efficient service at the downtown P.O. Your questions are answered with thought and courtesy.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I just think that a P.O., especially one located in the downtown, added charm to the historic district. Most small cities have an historic P.O. downtown that seems to be common in small towns. Why break the tradition here -

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

For me, having my accounting practice downtown just across the street from the Post Office, the discontinuance would be devastating. Especially during my busy season, the time required to drive to the Main (Sadler Road) Post Office, wait in line, and drive back downtown would likely exceed one hour each day, compared with an average of five to ten minutes at the downtown post office. In addition, a new P.O. Box number at the Main Post Office would require changes in stationery and notification of all clients and other contacts.

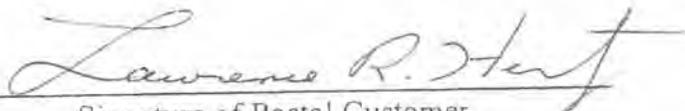

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

For the downtown business and residential community, the discontinuance would also be disastrous. People who now walk to the downtown post office to do postal business would be forced to drive to the Main (Sadler Road) post office, resulting in more traffic and energy (gasoline) usage. Businesses and individuals who rely heavily on postal service would seek to relocate closer to the Main Post Office, resulting in a much less vibrant downtown with more empty storefronts and much less business activity in our wonderful historic downtown.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

1. Effect on Your Postal Services. Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I live and work in the immediate vicinity of the downtown Fernandina Beach Post Office, within easy walking distance. I have continuously maintained a Post Office Box for more than 25 years. Because of the design of historic houses and their close proximity to the street, mail delivered to a conforming delivery receptacle is clearly visible and accessible to the street traffic and persons on the sidewalk. I am frequently away from the house, so accumulated mail delivered to the house overflows the receptacle and makes it evident that no one is home. For obvious security reasons, I try to avoid having any mail of any importance delivered to my home, and that's why I have the post office box. A similar situation exists at my office. If the post office closes, I will be obliged to open a new post office box at the Sadler Road facility, and I cannot keep my existing post office box number. By changing the box number, every account I have with anyone, all of my checks, all of my identity cards that use the post office box number for contact information, whether for my home or my business, will have to be changed. Although that is time consuming and expensive, the biggest objection is that it is unnecessary. The numbering system on post office boxes between the downtown Fernandina office and the Sadler Road office are not the same, so it is only the Postal Service's bureaucratic inertia that precludes maintaining the same box number. In other words, just move my box number to Sadler Road and the world moves forward without disruption. Otherwise, if I have to change all of my mail records, I might as well change my continuing relationship with the post office and find some other way of receiving secure or important mail other than at my home or office, probably online. In other words, the postal service will just be the source of junk and bulk mail, which to me is just trash, and thereby become irrelevant as a business and personal service provider to me, and if it's irrelevant, then it doesn't warrant my funding or support. Regularity doesn't matter to me, but the effectiveness, even the usefulness, of the postal services I receive, will be significantly altered, and impaired, by closing the downtown Fernandina Beach post office.

2. Effect on Your Community. Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

Postal box patrons in the downtown area, such as me, who normally walk to the post office to retrieve mail, will now have to drive to the Sadler Road facility to retrieve box mail. Other than that inconvenience, the community will survive whether there is or is not a postal facility, or even postal service.

3. Other Comments. Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The post office boxes are available to pick up mail 24/7/365. Returning to town usually at night, it's easy and convenient to retrieve bills and other mail at the downtown post office. It's not easy to retrieve mail at the Sadler office, which requires a driving about 2.5 miles each way.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

I use the post office almost daily and it is an integral part of my business. The availability of an after hours box so close to my office makes a big difference. Two of my tenants and a number of local attorneys, as well, make use of the special services available at this location. It is far from inconsequential and will be missed as a part of a functional downtown Fernandina.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

The downtown area is a "functional" downtown. Services like this are a big deal and bring repeat local business which, in my opinion, is the lifeblood of a healthy working downtown economy. While the rest of the world tries to recreate downtown areas like this with Celebration, Seaside, the Villages and other new urbanist developments, we are foolishly breaking a local economy by systematically taking away the working parts. I urge you to "please" reconsider the tiny cost to keep this location, rent out the upper floors or at least offer the location to the incoming City Commission at the original term.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

I urge you to reconsider. This means a lot to the local businesses, a lot to the local economy, is an irreplaceable part of the historic downtown and is not just a sentimental part of town...although I did grow up walking those steps over 40 years ago with my father.

RE: Fernandina Beach Downtown Post Office

1.) I feel that closing the Fernandina Beach Downtown Post Office diminishes service to me because I can no longer walk to the post office for service. Presently there are sidewalks from my house to the post office and a pleasant walk of less than one mile. I walk that route almost every day and it is very convenient to use the post office on the way. The Sadler road post office is about 3 to 4 miles away and requires me to drive my car to get service. The post office parking area at the Sadler Road location is very crowded and dangerous at present. My car has already been struck by a backing vehicle. I can only imagine the difficulty if all service has to be rendered at that location. Inside the Sadler road location there are only three service areas and almost always a long waiting line. Most of the time only two stations are open.

2.) I believe that the postal service on the island will be inadequate if the downtown post office is closed. It seems to me that with over 20,000 permanent residents and many tourist in the summer months, it is too much to expect one location and three service stations to render appropriate service.

3.) I expect many people will start using non-post office services -- especially for parcels. The detrimental impact on the historic downtown area will be a sading blow. The post office has presented a pivotal presence in the community since the building was constructed in 1912. The post office will be losing support in this community because of this action.

I have a P.O. Box downtown.
This would create more work for me.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

One of the "intangibles" is the sense of history, the iconic value of the post office. It is an integral part of the hx of downtown.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

I believe a Full Service P.O. downtown has value for residents + visitors alike. Remember A.I. is @ 17 miles long. We need two P.O.'s.

I think the postal service is very effective and for me, I rarely use this office.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

I think it would be very effective to keep the Downtown Post office, for those who work downtown. They represent Fernandina Beach. All our hopes and dreams for this very desirable community.

When I just look upon this Downtown Post office I see an era that is being lost in the hurry up and go no where fast life we live. I see peace and order when I am near this office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

The discontinuance of the historic downtown Fernandina Beach Post Office would be a tremendous inconvenience to me & my family. We have all our mail delivered there, plus do all our mailings from this facility for it is in walking distance.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

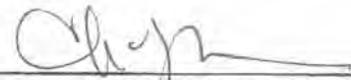

The discontinuance of the historic downtown Fernandina Beach Post Office would have great unfavorable effects to our community. This is a historic community depending on tourists/visitors who use this Post Office along with the services of neighboring downtown businesses.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The historic nature of the building which has housed this US P O since 1912, and ranks in the top 11 of historic buildings in Florida, and for you to consider the needless closing this Post Office for the reasons aforementioned would be absurd. We beseech you to consider these facts.

If the FB Downtown Post Office should close, I would most likely discontinue a P.O. Box and begin street delivery.

Please consider the historical importance. Also, this is a beautiful building. With a little attention and some general cleaning, perhaps unused space could be leased. It most certainly could be a profitable location.

IT would be much more difficult to have to drive to SADLER ROAD to take care of my postal needs. I visit that office 1-3 times per week to utilize a number of its SERVICES including shipping packages both personally and for our business.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

IT would be a shame to see such a wonderful historic building closed. IT is quite a sight to see in the middle of the historic district. IT would be terrible if it were left to crumble and deteriorate and have to be knocked down.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

The security for the mail box at my physical address is very poor, so I rely heavily on a post office box for sensitive mailings. I am able to walk to the downtown office, but would have to drive to the Sadler Rd office. Since I need access to my box several times a week, I really need the downtown office box. Having access to stamps at a bookstore is not a good substitute for a legitimate postal office, but more importantly it will not allow boxes.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

It's not like the downtown post office is in a rural area. It's in the middle of a thriving downtown.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

The Sadler Rd office is not as well run as the downtown office. It is extremely understaffed so that when I receive a package (I used to use this office, but moved to the downtown office), I would have to wait as long as 20-30 minutes in line to pick up the package. The downtown office is much quicker.

Postal Concerns

The following postal concerns were expressed

1. No Concern
Response:
2. Customer expressed a concern about the length of time it took to forward your mail.
Response:
Customers may change their address online at usps.com or pick up address change packets at the Post Office. As correspondents use their correct mailing address there will no longer be a requirement that your mail goes through our forwarding system.
3. Customers expressed concern about how the loss of the Post Office would negatively impact the historical dimension of the community.
Response:
The Postal Service is helping to preserve the community name by continuing the use of the Community name in addresses.
4. Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.
Response:
Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
5. Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
Response:
The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
6. Customers expressed concern that postal employees at the administrative Post Office are rude.
Response:
Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster by the Manager, Post Office Operations.
7. Customers felt the cost of postage was increasing while service was decreasing.
Response:
The Postal Service is not immune to rising costs affecting every family and business. We do not receive tax dollars to cover the cost of operations and must adjust our prices to cover our costs. The Postal Service Governors are responsible for approving prices for all Postal Service products and services. For mailing services prices, such as stamp prices, the Postal Service announces the new prices each February and they become effective each May. The Postal Regulatory Commission (PRC) reviews the new pricing for compliance with the price cap and other provisions of the Postal Act of 2006.
8. Customers said they would miss the special attention and assistance provided by the personnel at the Post Office.
Response:
Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed.
9. Customers wanted to know why the customer lines were so long at the administrative Post Office.

Administrative

The administrative Post Office serves a much larger community and has a heavier retail window workload. This concern has been brought to the attention of the administrative postmaster. window operations will be monitored to ensure that customers do not have an unreasonable wait to obtain services. The carrier can provide retail services, alleviating the need for customers to go to the Post Office for service.

10. Customers were concerned about a possible address change.
Response:
There will be no change in customer addresses.
11. Customers were concerned about having to make an address change on their bank checks and stationery.
Response:
Customers will be assigned a carrier route address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change. Customers may deplete their current supply of checks and stationery and make the address corrections when ordering new supplies.
12. Customers were concerned about having to travel to another Post Office for service.
Response:
Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
13. Customers were concerned about later delivery of mail.
Response:
The top priority of the Postal Service is to provide mail service in the most efficient manner possible because all of our costs are reflected in postage rates customers must pay. Delivery costs are one of our biggest expenses, so you can be assured that careful thought is given to the structure of each route. A customer's location on a carrier's line of travel determines the time of day mail is delivered. This, of course, precludes providing early delivery of mail to every customer because, no matter how we structure a route, somebody must be last. We do, however, carefully consider the volume of mail for each route so that we can deliver the greatest amount of mail at the earliest possible hour. With the largest fleet of delivery vehicles in the world, to minimize vehicle and fuel expenses we must also pay special attention to energy conservation measures. When the price of gasoline goes up one cent per gallon our total gasoline cost rises more than \$1 million. Therefore, when structuring a route, we must balance our goal to deliver as much mail as possible as early as possible with the need to minimize the travel distance a route must cover. We do regret the inconvenience to customers who would like, but cannot receive, early mail delivery. For those customers we offer alternative delivery services, such as Post Office box service that provide access to their mail earlier and throughout the day.
14. Customers were concerned about mail security.
Response:
Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
15. Customers were concerned about senior citizens.
Response:
Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. Customer expressed a concern about the loss of the community bulletin board at the Post Office.
Response:
Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
2. Customers expressed concern for loss of community identity.
Response:
A community's identity derives from the interest and vitality of its residents and their use of its

items. The Post Office is helping to preserve community identity by continuing to use the
Community name and ZIP Code in addresses

3. Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

4. Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

DISTRICT MANAGER, CUSTOMER SERVICE & SALES
NORTH FLORIDA DISTRICT

December 22, 2011

The Honorable Bill Nelson
United States Senate
225 East Robinson Street, Suite 410
Orlando, FL 32801-4326

Dear Senator Nelson:

This is in response to the letter you received from your constituent, Jack Tanis, regarding the possible discontinuance of the Fernandina Beach Downtown Station located at 401 Centre Street, Fernandina Beach, Florida.

I appreciate his interest in ensuring that the Fernandina Beach community continues to have convenient access to essential Postal services. As you know, the U.S. Postal Service is an exceptional government agency in that we are totally self-supporting – all of our income is derived from the sale of our products and services, and not operational subsidies from taxpayers. The continuing effects of the economic slowdown and the rate at which mail is migrating from traditional Postal hard copy services to electronic media continue to negatively impact mail volume and the related revenue. Mail volume declined by 6.2 billion pieces in 2010, after a 26 billion piece decline in 2009. Despite increases in productivity and \$11 billion in cost savings over the past three years, the Postal Service experienced net losses of \$8.5 billion, \$3.8 billion, and \$2.8 billion for the years ended 2010, 2009, and 2008, respectively.

In the face of such difficulties, the Postal Service is pursuing solutions and strategies to mitigate the impact. Failure to do so would be irresponsible and threaten our ability to accomplish our mission of providing universal service to the nation at affordable prices.

We are currently reviewing operations at the Fernandina Beach Downtown Station. The review is ongoing and no final decisions have been made. To enhance access in the area, a contract has been awarded to Book Plus located at 107 Centre Street. This Contract Postal Unit (CPU) will provide convenient expanded access to Postal Service products and services at Postal Service prices. It is targeted to open within the next 90 days.

As information, before the Postal Service makes a decision to close or consolidate an independent Post Office, we comply with all the stipulations mandated by federal law. All final decisions are subject to review by the independent Postal Regulatory Commission, and the discontinuance procedures contained in Title 39, United States Code, are exercised before an independent Post Office can be permanently closed.

This operational change is just one more way the Postal Service continues to become more efficient, while delivering excellent service to our customers. Our goal is to keep the mail relevant, affordable and growing. If you have any questions regarding this process, you may contact Tony Joy, Manager of our Consumer & Industry Contact Office, at 904-858-6511.

Sincerely,

Eric D. Chavez
